## ELIGIBILITY

RGMs, Assistant Managers and Full Time Above Restaurant Leaders are eligible to participate in the plan on the first of the month following 60 days in position.

Team Members, Shift Managers and Part Time Above Restaurant Leaders are eligible to participate in the plan after 1 year of employment and average 30 hours or more during their measurement period.

## Qualifying Life Events

Legislation regulates eligibility requirements for dependent coverage on Medical insurance plans. It is important for everyone to understand what constitutes eligibility and what the implications could be for not following the eligibility guidelines.

### Examples of Eligible Dependents includes:

- Legal Spouse
- Dependent children

Healthcare reform legislation restricts a plan or issuer from denying coverage for a child under age 26 based on any of the following factors:

- Financial dependence on the employee
- Residency with the employee
- Student status
- Marital status
- Employment status

When you first enroll, and/or if you change coverage mid-year due to a qualifying event, you may be asked to provide the applicable documents from the following list:

You can provide these documents to your Benefits Department.

### Verification Documentation:

- Marriage Certificate
- Birth Certificate
- Court Document awarding custody or requiring coverage

The adult child's spouse is not eligible for coverage. In some circumstances and for a limited time period, the newborn of an enrolled adult dependent may be covered. For adult children age 26, the State of Florida has adopted legislation allowing for extended coverage up to age 30, but under more limited conditions such as the child must reside in Florida or be a part-time or full-time student and must be unmarried with no dependent child(ren) of his/her own. In addition, they cannot be covered under another group or franchise plan, student or individual plan, or be Medicare eligible.

# ENROLLMENT

When can I apply for my Benefits?

- During your initial new hire eligibility period
- During the annual open enrollment period
- Within 30 days of a qualified life event

## MID-YEAR ENROLLMENT CHANGES – Section 125 Cafeteria Plan

Employees receive the tax benefits of a Section 125 Cafeteria Plan. This plan allows you to pay for your employee benefits on a pre-tax basis to be deducted from your paycheck.

When you elect to pay for these authorized benefits pre-tax, you save because you are paying less in taxes. You do not pay Federal Income or Social Security taxes on these designated benefit dollars. Therefore, you lower your taxable income. This will allow you to take home more of your paycheck, decreasing the net cost of the benefit you are purchasing.

IRS regulations state that benefit choices cannot be changed in the middle of a plan year unless you experience a qualifying life event.

Changes must be reported within 30 days of the actual event.

Some common qualifying events may include:

- Marriage, Divorce or Death of Spouse
- Birth, Adoption or change in legal custody
- Loss of other coverage
- Change in Medicare or Medicaid entitlement
- FMLA or Military Leave

To determine if any of these apply to you, please check with your Human Resources representative.

### PLEASE NOTE:

The IRS does not consider financial hardship a qualifying event to drop coverage.

## FOR PARTICIPANTS IN ANY OF OUR UHC MEDICAL PLANS

# ANNUAL PHYSICAL INCENTIVE

ALSO FOUND ON [PAGE 10](#)

Celebration Restaurant Group is requiring its employees to complete their Annual Physical to keep their incentive rate between **March 4, 2025**.

- All of our medical plan options provide routine wellness visits covered at 100% and are no cost to you.
- Eligibility for the premium incentive will be determined from reporting received by CRG directly from UHC.
- If you have already completed your Annual Physical, your bi-weekly discounted rate will be as noted on [PAGE 10](#) for the new plan year.
- If you opt to not complete your Annual Physical by the deadline of **March 4, 2025**, your bi-weekly deduction will increase by \$50 the first pay period in April 2025.

Don't forget to schedule your appointment today!

### IMPORTANT TIPS TO HELP YOU PREPARE FOR YOUR VISIT

Confirm the provider is in the UHC Network you are enrolled in. Do NOT simply ask if they take United Healthcare!

If your physical uncovers something that could be serious, your doctor may order additional tests, schedule a follow up visit, or refer you to a specialist. The additional tests and follow-up may not be 100 percent covered.

If you're charged for a service you believe should have been 100% covered:

- First: Check with your doctor's office. Ask what services were billed to the insurance company. Does it match what you remember from your visit?
- Second: Check with UHC—ask what services the doctor's office billed. Does it match what you remember from your visit and what the doctor's office told you?

**TIP:** AVOID PAYING THE DOCTOR'S OFFICE UNTIL YOU ARE 100% CERTAIN YOU ARE GETTING THE UHC DISCOUNT! Match your bill to an Explanation of Benefits (EOB) from UHC.
