HEALING TOGETHER CHARITY FUND

Supporting our employees when they need it most:

The Healing Together Charity Fund is a compassionate program designed to support employees and their families facing serious medical conditions or high-cost medications. If you or a loved one is a high utilizer of health care, this program can help ease financial burdens so you can focus on what matters most—your health. Take the time to see if you qualify. The stress level does not go away but it helps ease the pain.

Who is Eligible?

All employees and family members covered under Celebration Restaurant Group's medical benefit plan are eligible to apply. There are **no income requirements** and **no fees** for participation.

How to Apply

Application is confidential and voluntary. To get started, please complete and submit the [HIPAA Authorization Form](#). This form allows Healing Together Charity Fund representatives to contact you directly and determine if the program is right for you.

- Submit your completed form via email to De Stevenson at: dstevenson@healingtogethercharity.org
- The program is independent; CRG does **not** make eligibility or benefit decisions.

What Does the Program Offer?

- Access to an individual health insurance plan tailored for your needs
- Financial assistance to reduce or eliminate out-of-pocket costs for premiums and care
- Support navigating your health care options with personalized help
